

# Belize 2003

## Mission Trip Report

- We raised \$8,500 to fund a new school building of 30 x 60 feet. It will house two new classrooms for the *Eden Seventh-day Adventist School* in Santa Elena, Belize
- We provided clothing, toys, and supplies for the 69 children at the *King's Children Home*. We also enjoyed spending some time with them presenting Sabbath School, Church, a Sabbath afternoon program, and playing.
- We spent hundreds of man-hours preparing materials for Vacation Bible School. It was presented to 250 children in the Mennonite community of Spanish Lookout. Our program included singing, stories, drama, puppets, crafts and games. Uncle Dan of *Your Story Hour* joined us and told a story each afternoon.
- We worked on the new school building preparing the floor, tying rebar, pouring concrete, preparing a sidewalk, and moving blocks.
- We repaired a part of the road leading up to the repeater station of *Faith FM*, our partner and host while we were in Belize.
- We prepared and hosted several hours of live talk radio, aired on *Faith FM*, where our students shared about why they believed in God and how that belief affected their lives.
- We presented a worship service to the *Assembly of God Church* in Caye Caulker, one of Belize's numerous islands in the Caribbean.
- We enjoyed several cultural and recreational activities unique to the country of Belize.
- We grew closer to God and to each other as we worked together and as we watched God work in and through us!
