

Belize 2008

Mission Trip Report

The building we began last time we were in Belize.
We lived here this time!

- ✚ We raised \$8,000 to help finish the Mission Center we began three years ago and to add a Sabbath School room to the Hillview S.D.A. Church.
- ✚ We worked close to 700 man (and woman) hours on the Mission Center (pouring concrete for the stairs) on the new Sabbath School room for the Hillview S.D.A. Church (tied rebar, poured the floor, laid blocks)

VBS Crafts

- ✚ We worked numerous hours preparing materials for Vacation Bible School. It was presented to 160+ children from the communities surround Faith FM's studios. Our program included singing, stories, drama, puppets, crafts and games.
- ✚ We prepared and hosted four hours of live talk radio, aired as "Teen Talk" on *Faith FM*, where our students shared about self esteem and self image, peer pressure, holding on to hope in tough times, and letting go of the past. They shared personal testimonies, helpful information and fielded live questions.

Teen Talk – on the air!

- ✚ We provided clothing, toys, and supplies for the 55 children at the *King's Children Home*. We also enjoyed spending some time with them
- ✚ We conducted a basketball clinic for 30-40 students of Eden High School and presented a chapel service there.
- ✚ We enjoyed several cultural and recreational activities unique to the country of Belize and neighboring Guatemala.
- ✚ We grew closer to God and to each other as we worked together – and as we watched God work in and through us!

We thank you for helping to make this experience possible!!
