

# COSTA RICA 2006

## Mission Trip Report

- ✚ We gave over 2,150 person-hours of volunteer time in preparing for this trip and serving the people in the Tamarindo area of Costa Rica.
- ✚ We scraped, sanded, filled holes, and painted buildings and classrooms at two elementary schools and one high school.
- ✚ We presented a program of music, crafts, stories, and games to four groups of elementary students.
- ✚ We presented a program to two groups of high school students encouraging them to choose a positive, Biblical lifestyle in the areas of substance abuse and healthy relationships.
- ✚ We sorted and distributed several thousand articles of clothing to residents in a poor, outlying community
- ✚ We helped teach English to several high school students who are preparing to take the necessary tests in order to go to a college here in the United States.
- ✚ We enjoyed several cultural and recreational activities unique to the country of Costa Rica.
- ✚ We grew closer to God and to each other as we worked together – and as we watched God work in and through us!
