

Roatan 2007

MISSION TRIP REPORT

- ✚ We gave over 2,700 person-hours of volunteer time in preparing for this trip and serving the people in the Flowers Bay area of Roatan.
- ✚ We completed most of the block work for a new church located in Flowers Bay. Roatan
- ✚ We raised \$5,250 to help purchase building supplies for the church we were helping to build.
- ✚ We presented a Vacation Bible School program to more than 100 children in the Flowers Bay area (they were expecting 20 – 40 children to show up)
- ✚ We began a Bible study group with teenagers living in the Flowers Bay area – the group grew to more than 30 young people on our closing night. The group will be continued through the local church.
- ✚ We helped clean up the community and prepared over 400 coconut trees for planting (to replace those that had been lost to disease in the past few years)
- ✚ We enjoyed several cultural and recreational activities unique to the island of Roatan
- ✚ We grew closer to God and to each other as we worked together – and as we watched God work in and through us!
