

Objectives for National Honor Society

- Mission:** The members of the Forest Lake Academy chapter of the National Honor Society will uphold the NHS values regarding character, leadership, service, and scholarship.
- Scholarship:** Maintain 3.75 GPA
- Character:** Make an intentional effort to uphold and affirm the behavior and decorum guidelines set by FLA administration
- Leadership:**
1. Actively strive to set a positive tone on campus
 2. Lead through positive example
 3. Take an active role in participating in school activities
- Service:** Group: One group project required that is ongoing and extends throughout the year. The group project will be determined by vote of the current-year NHS members and will be monitored by the NHS officers and adviser.
- Individual:** The school's community service project will take the place of the Individual project.

Failure to uphold the objectives will result in the following penalties:

- § NHS members whose GPA drops below 3.75 will be suspended from the organization for the remainder of the grading period. A member with a GPA below 3.75 for two sequential grading periods will be withdrawn from membership.
- § Any NHS member involved in a major discipline situation will be withdrawn; no appeal will be allowed.
- § Any NHS member named in leading out in negative situations (whether suspended or not) will be withdrawn; no appeal will be allowed.
- § Failure to fulfill service requirements will result in withdrawal; no appeal will be allowed.
- § Students must attend NHS meetings; absences must be excused by the adviser.
