## EUROPE TRIP

Spend your Spring Break discovering London & Paris on this action packed tour. Your 4 days in London include a city tour of the major sites and entrances into famous places such as the Globe Theatre, Windsor Castle and St. Paul's Cathedral, to name a few. Then we are onto Paris using "The Chunnel", an undersea rail tunnel beneath the English Channel. Paris, known as the "City of Lights" will thrill you with its treasures. Your time in Paris includes a city tour and entrance into the Louvre. You'll still find time to shop, visit the Palace of Versailles or other museums and soak up the joie de vivre! Please contact me (Steve Patrick) at school or Euro-American Tours (800.989.3876) immediately to sign up.
