Tournament proceeds will benefit FLA Varsity Sports, a donation based program. It is through the generosity of our sponsors and players, that we are able to provide meaningful experiences and opportunities for our students.

Last year's tournament netted over \$45,000. We thank all of our past participants and look forward to partnering with you again as we aim for this year's goal.

The FLA tournament is the place to be to support Christian education, build relationships and win valuable prizes!

I look forward to seeing you soon at the spectacular RedTail Golf Club,
